

Track your child's academics. Teach your classes more easily.

Class Teacher brings **students' school activity** closer to parents and makes **teaching tools** more accessible to teachers.

For Teachers and Schools

Students Management Tools

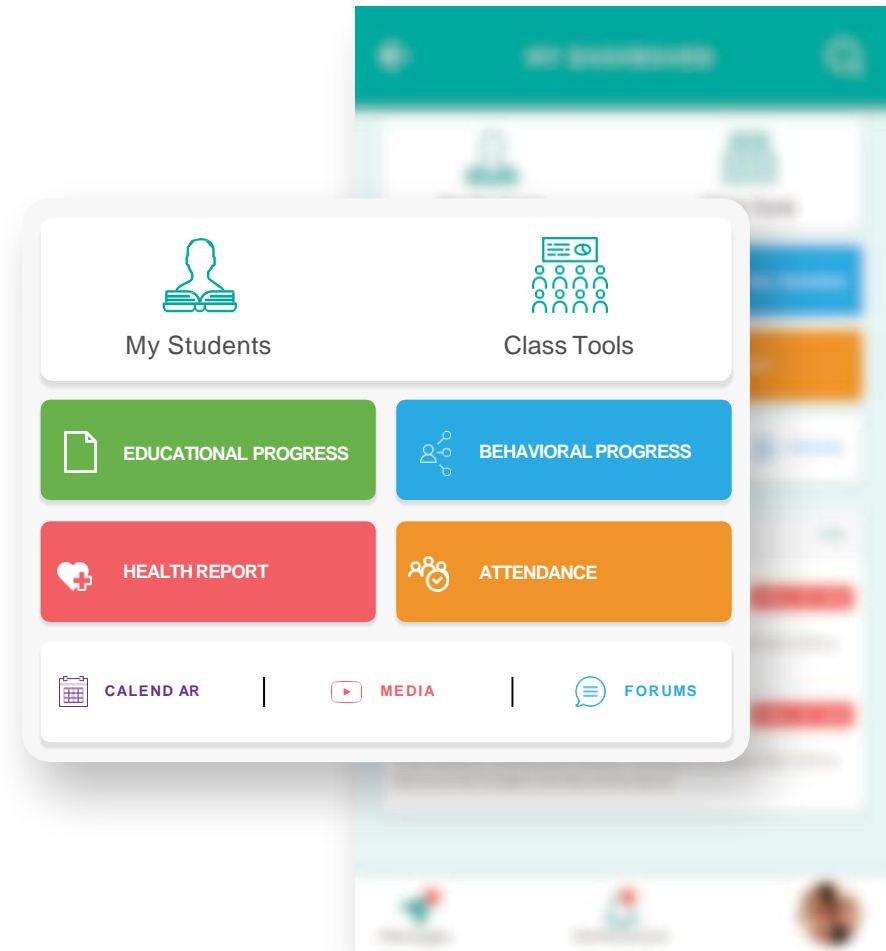

For Teachers and Schools

Record and View important students' information.

ClassTeacher enables teachers and school to digitize students records. Enabling them to share students' progress with parents in real time.

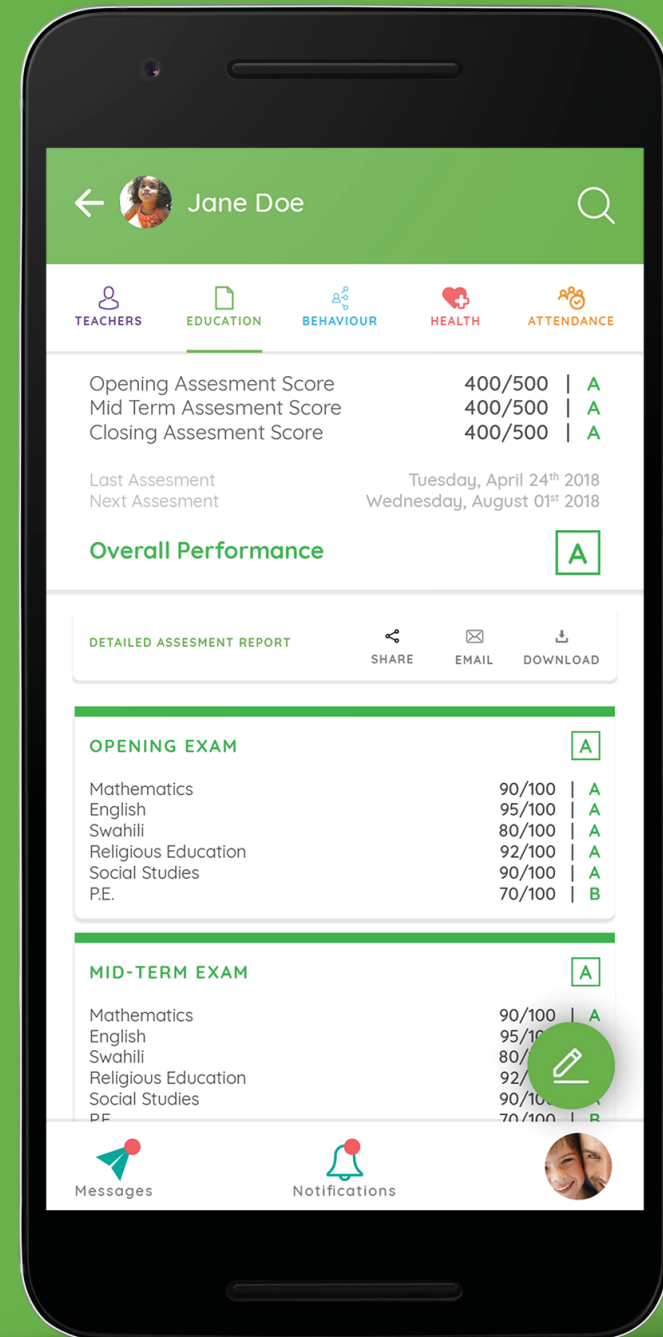

For Teachers and Schools

Keep track of students' academic performance.

Record examination results and share them directly to parents. Have direct access to your students' academic results and keep track of their progress.

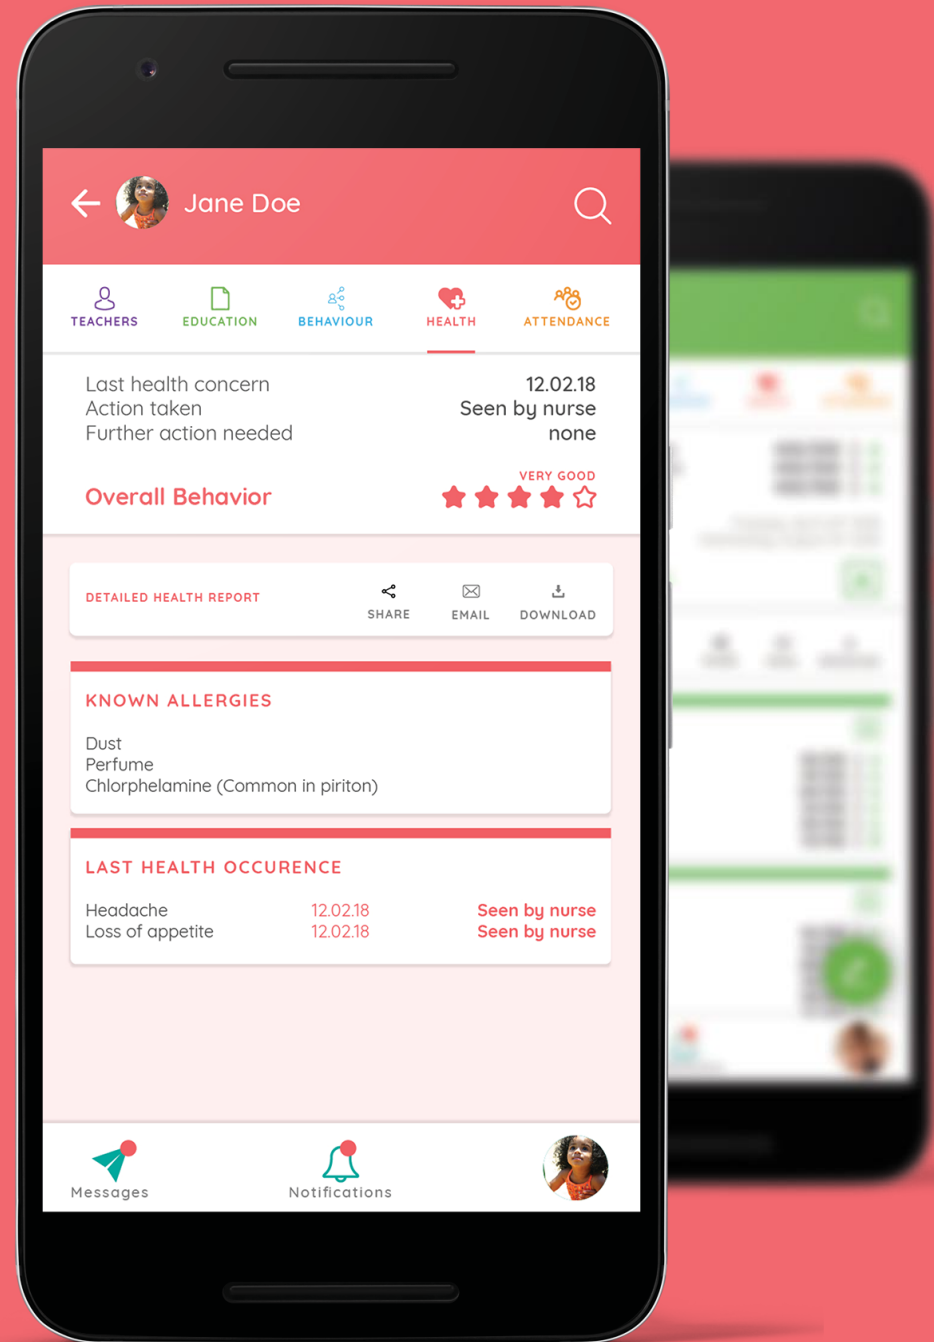

For Teachers and Schools

Manage students' health reports.

ClassTeachers enables both teachers and parents to monitor their students' health status in real time.

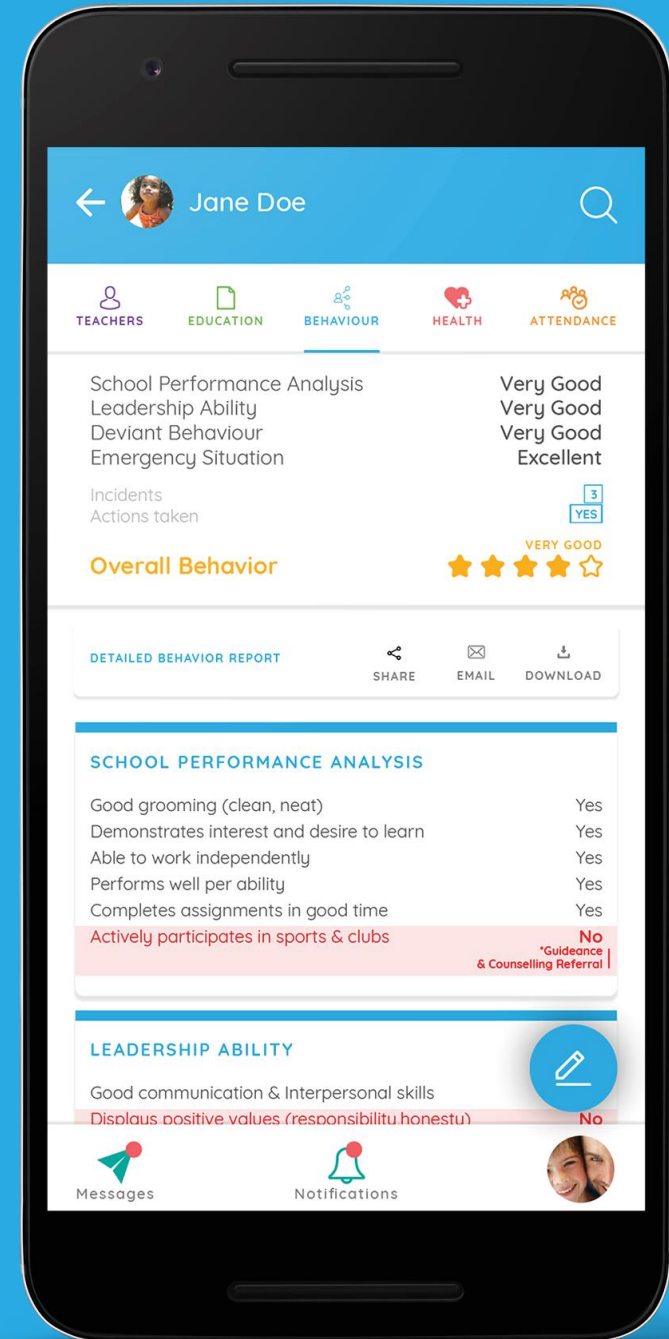

For Teachers and Schools

Keep track of students' behavioral progress.

With ClassTeacher you can monitor students' overall behavior and take action within the app. Real time updates to parents, allows the parents to be involved in nurturing the kids

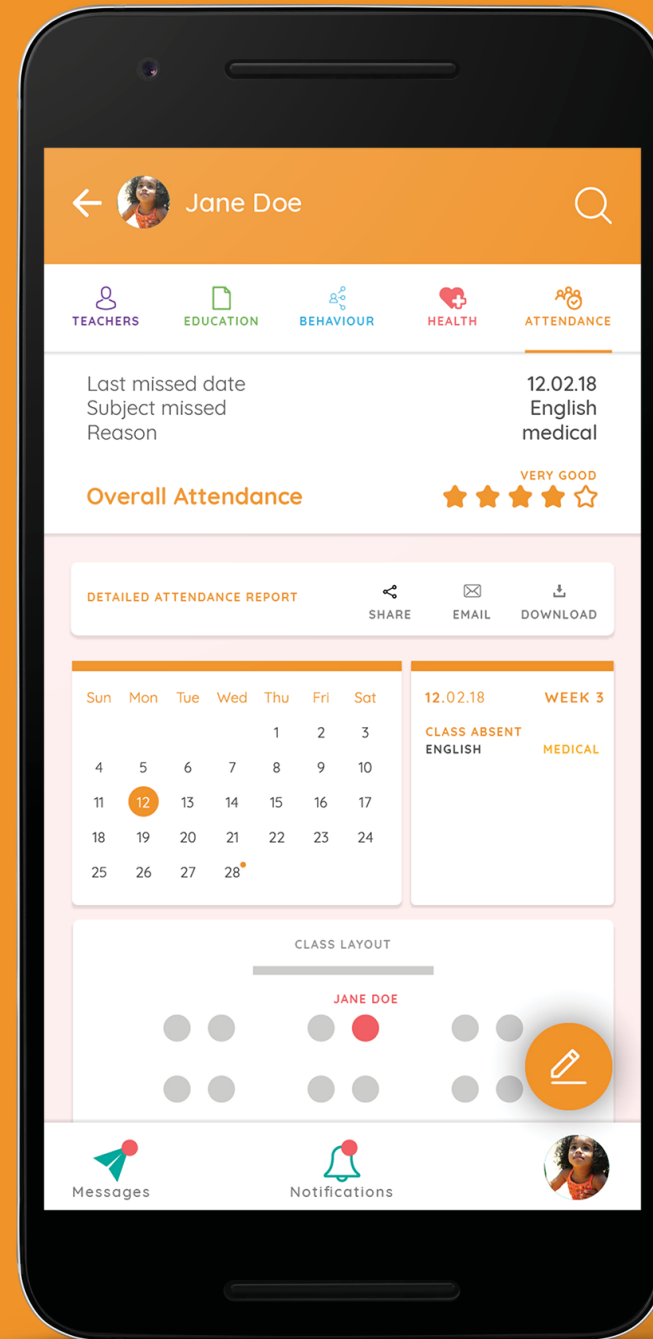

For Teachers and Schools

Monitor and record students' attendance.

With ClassTeacher you can monitor students' overall attendance in real time. Record absent students or get notified on absent students.

For Parents

Track your child's academics.

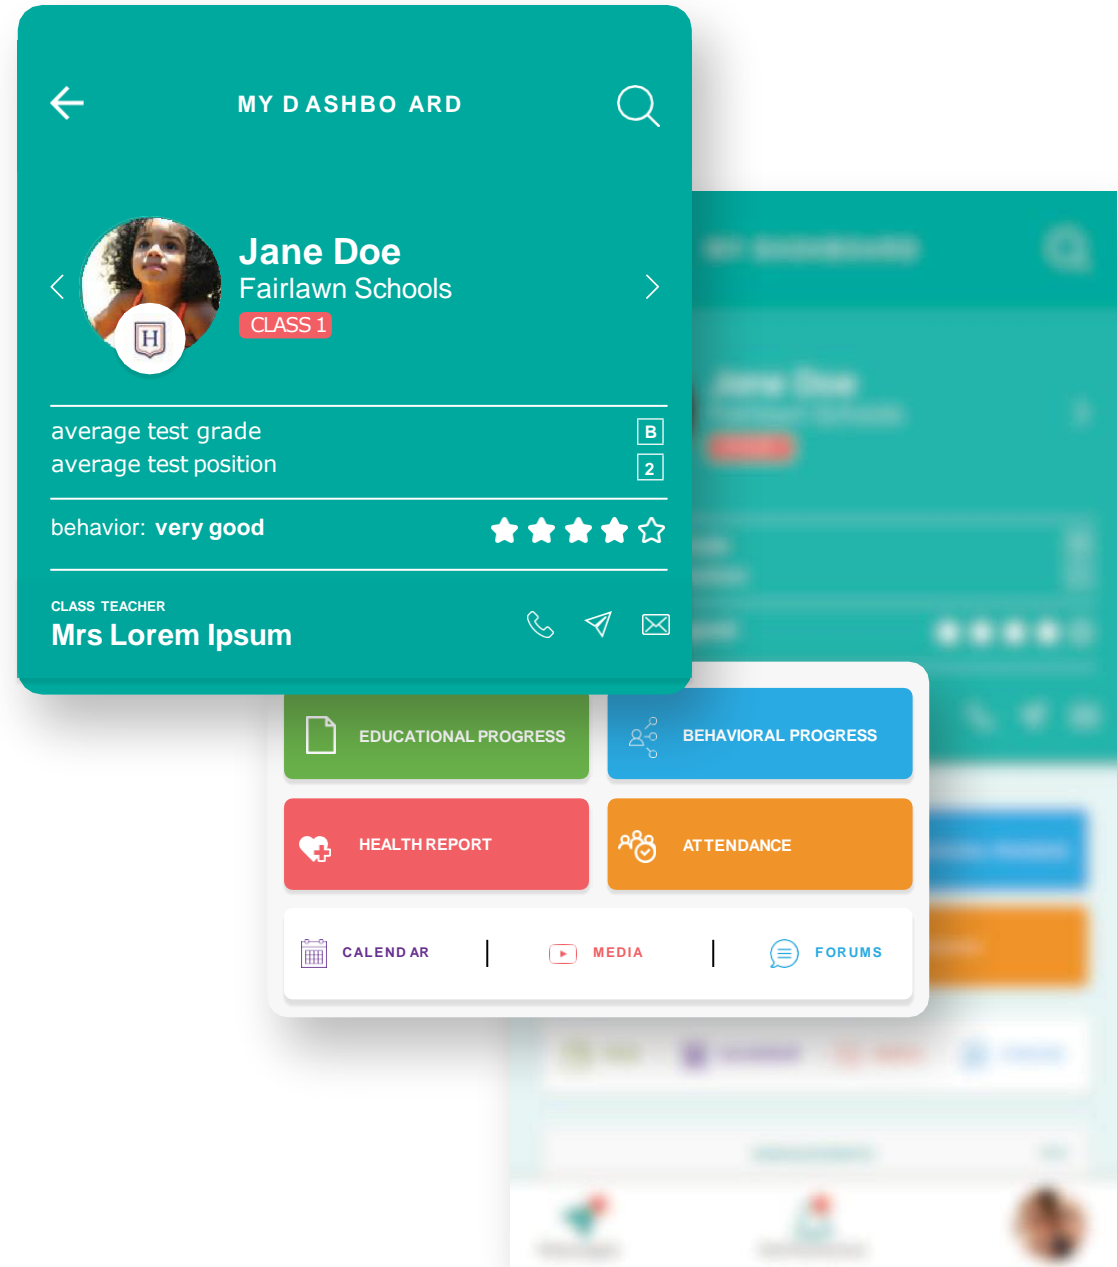

A woman with dark hair, wearing a light blue button-down shirt, is smiling and looking at a tablet. A young girl with curly hair, wearing a blue and white striped shirt, is also looking at the tablet. They are sitting at a wooden table. There are papers and a clipboard on the table. The background shows a kitchen with white cabinets and a stove.

 **ClassTeacher**
